Users listed above who are renewing, rather than becoming users for the first time or replacing a previous user, may complete an Individual Subscriber Renewal Application.

Requests that user names be transferred to another user within the organization (e.g., upon employee terminations) shall be made directly in writing to the Clerk's Office. An Individual Application and Subscriber Agreement must be completed and submitted for the new user.

**** A nonresident entity (i.e., a business not based in Virginia) must demonstrate that such entity is authorized to do business in Virginia and is in good standing with the State Corporation Commission or other applicable state or federal regulatory agency. ****
